Welcome to our Train the Trainer Course Brochure

Care Business Associate Training or CBAT as it's known, is a national provider of educational face to face training. As an organisation, CBAT is fast becoming one of the UK's leading providers to the health and social care market.

Established by a group of leading industry experts, CBAT delivers high quality training in the fields of Elderly, Hospitals, L&D, Children and Younger Adults, Mental Health and Justice. From health and safety to mandatory care courses, clinical and management training, CBAT delivers to some of the biggest businesses within the UK.

As a leading provider of training services, CBAT deliver across the UK daily and with a team of over two-hundred established trainers varying from health and safety experts, leading clinicians and

doctorates, our clients are always left feeling valued and extremely pleased with the service we provide.

Please take the time to view our brochures, my team are here to help so should you have any questions please give them a call on **01772 816922** or email **admin@cba-training.co.uk**

TRAIN THE TRAINER DEMENTIA

3 DAYS

2 YRS

12

£2250

OVERVIEW

This three-day course will support you to develop your Trainer skills and provide you with a set of Dementia Training Materials. You can use these materials to deliver your own in-house staff training with confidence in the content and quality of the materials.

The Trainer materials include a Trainer Guide, presentation slides and supporting materials for you to use in your future delivery of dementia training.

In order to be able to deliver effective training to others, participants on this course must have experience of supporting individuals who have dementia.

OUTCOMES

the learner will be able to:

- + Explain roles, responsibilities and relationships in education and training
- + Understand and use inclusive teaching and learning approaches in education and training
- + Understand assessment in education and training
- + Access the Dementia Training materials

TTT DEMENTIA UPDATE

1 DAY

1 YR

12

£750

As required, this is the annual update for the Dementia Train the Trainer course. It is a one-day refresher course to ensure the trainer retains their skill set.

TRAIN THE TRAINER MOVING & HANDLING

4 DAYS

2 YRS

6

£2250

OVERVIEW

This four day course consists of all elements of theory and practical that is in line with the National Back Exchange guidelines, Scottish Passport and also the Welsh Passport system. The theory element is also equal to the CIEH Level 3 course. We cover all the practical aspects including the techniques and safety aspects of all manoeuvres with equipment, including mobile hoists. During the four days we work on teaching skills to enable the candidate to deliver Moving and Handling effectively in their place of work. Day 4 is the micro teach assessment day, where each candidate has half an hour to deliver a small teach to assess their skills to deliver training.

On successful completion of the course all candidates receive access to our forum with PowerPoint Presentation, Handouts, Lesson Plans, NBE standards, Scottish Passport, Welsh Passport and other information to allow them to teach immediately.

AIMS

to ensure the learner is working to current moving and handling guidelines, have a sound knowledge of biomechanics & efficient movement and to ensure safe practices for their trainees.

OUTCOMES

the learner will be able to:

- + Explain the theory behind moving and handling
- + Demonstrate safe practice using a range of techniques
- + Have the skills to problem solve and convey safe practice to other

TRAIN THE TRAINER

CARE CERTIFICATE ASSESSOR

2 DAYS

N/A

12

£1050

OVERVIEW

The NCFE accredited Assessors' Award for the Care Certificate is a consecutive two day workshop designed by eLFY Training to ensure that potential Assessors are both occupationally competent in their role and able to give the learner the necessary support to complete the Certificate.

DAY ONE

Will entail a whistle-stop tour of the 15 Standards contained within the Care Certificate. Using an array of resources, learning methods and activities our dedicated trainers will engage with you to raise and improve your knowledge of the Standards including what is expected from the national Care Certificate Framework.

DAY TWO

Will see all candidates complete a set of assessment competencies to complete the award. This will include:

- Marking a set of mock answers to the set written questions
- Completing an assessment of a practical demonstration including using the e-portfolio
- Giving advice on writing a case study and practise marking against a set standard with a pre-written case study

TO ACHIEVE THE AWARD

To be eligible to enrol on the CCAA workshops, candidates must have a minimum of two years' experience in health and social care and hold a recognised care qualification at Level 3. Recognised qualifications include NVQ, QCF, and Leadership & Management; this is not an exhaustive list.

TRAIN THE TRAINER BASIC LIFE SUPPORT

3 DAYS

3 YRS

12

£2050

AIMS

To ensure you have the knowledge and understanding to deal with a medical emergency to convey safe practice to others.

OUTCOMES

- + Describe the role and responsibilities of a first aider
- + Assess an incident
- + Explain the purpose of Basic Life Support

- + Demonstrate Resuscitation techniques, secondary survey and the recovery position
- + Explain what the chain of survival is and levels of consciousness
- + Describe how to identify and deal with a choking casualty
- + Explain and demonstrate how to deal with bleeding, burns, wounds and shock
- + Demonstrate a knowledge of learning styles
- + Demonstrate safe teaching practice

TRAIN THE TRAINER FIRE AWARENESS

2 DAYS

2 YRS

12

£1250

AIMS

To increase the knowledge of basic fire safety and the fire marshalling process of trainers to allow them to train their staff in the correct procedures to be carried out during a fire evacuation.

OUTCOMES

- + Explain current fire legislation
- + Explain ways in which fire can be prevented
- + Identify fire detection and warning systems
- + Explain types of fire-fighting equipment
- + Demonstrate means of escape in case of fire

- + Explain the role of a fire marshal
- + Understand inclusive teaching and learning approaches in education and training
- + Understand ways to create an inclusive teaching and learning environment
- + Be able to deliver inclusive teaching and learning
- + Be able to evaluate the delivery of inclusive teaching and learning
- + Understand types and methods of assessment used in fire training
- + Understand how to involve learners and others in the assessment process

TRAIN THE TRAINER MCA & DoLS

2 DAYS

2 YRS

12

£1250

AIMS

To increase the knowledge of MCA & DoLS and allow successful attendees the ability to teach awareness around the subject to others.

OUTCOMES

- + Define 'capacity' and explain the key principles of the Mental Capacity Act 2005 and Deprivation of Liberty Safeguards
- + Describe how these may be relevant to your service users and how they may impact on your own practice
- + Provide a basic description of the assessment process required for assessing both mental capacity and the authorisation for deprivation of liberty

- + Describe the supporting framework and roles of others specific to these
- + Understand inclusive teaching and learning approaches in education and training
- + Understand ways to create an inclusive teaching and learning environment
- + Be able to deliver inclusive teaching and learning
- + Be able to evaluate the delivery of inclusive teaching and learning
- + Understand types and methods of assessment used in training
- + Understand how to involve learners and others in the assessment process

TRAIN THE TRAINER COMBINED SAFEGUARDING

3 DAYS

2 YRS

12

£2250

OVERVIEW

Safeguarding is crucially important as well as being a mandatory subject. You may decide as an Organisation to have your own staff deliver this as opposed to an external Training Provider. If so, we can help by giving them the information, tools and resources for them to deliver Level 2.

OPTION ONE

Combined Safeguarding Train the Trainer 3 Days
£1,800 plus VAT

Includes:

- 1 Day Level 3 content
- 1 Day teaching staff how to deliver Level 2
- 1 Day micro-teach & feedback
- This will include all resources & powerpoint for your staff to take away and use.

OPTION TWO

Combined Safeguarding Train the Trainer 2 Days
£1,200 plus VAT

Includes:

- 1 Day Level 3 content
- 1 Day teaching staff how to deliver Level 2
- This will include all resources & powerpoint for your staff to take away and use.
- This option does not have the micro-teach element, so you as the Organisation would need to give your staff the time to prepare and practice. We will not be able to give feedback on their delivery.

WE HAVE 2 OPTIONS AVAILABLE BASED ON THE NEEDS OF YOUR ORGANISATION

BOTH OPTIONS WILL INCLUDE THE FOLLOWING OUTCOMES

AIMS

To give learners the knowledge and understanding at Level 3 so they can train their staff in Level 2 Safeguarding

OUTCOMES

the learner will be able to:

- + Define the different types of abuse and the recognition features of each one
- + Describe risk factors which make people more vulnerable
- + Describe how to deal with disclosure of abuse and the process to follow, including how to be an effective advocate
- + State the legislation you may need to be aware of with regards to an abuse situation
- + Identify the support available following disclosure
